

# Jared Alexandrei P. Lita

## Student

### PROFILE

Bachelor of Science in Information Technology student.

I consider myself a responsible, creative, and detail-oriented individual with a passion for web design and front-end development. As I continue to grow my skills, I'm eager to gain hands on experience and contribute to real world projects. I'm looking forward to starting my first professional opportunity where I can learn, collaborate, and make a meaningful impact.
